COMMODORE 64* INSTRUCTIONS

I. SYSTEM REQUIREMENTS

BREAKTHRU requires:

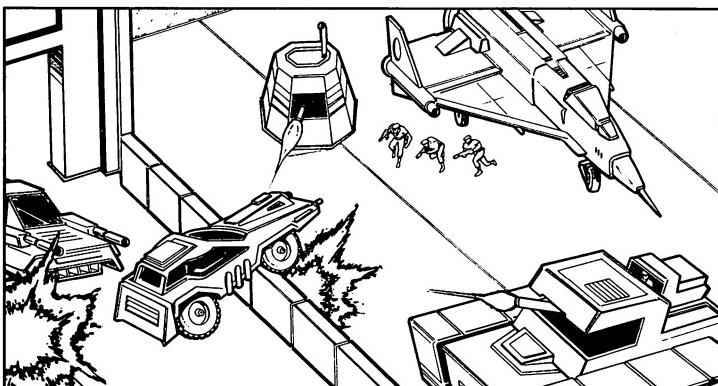

- Disk drive.
- Composite color monitor or TV (color preferred).
- 1 or 2 joysticks.

II. GETTING STARTED

- Turn on your monitor or TV.
- Turn on the disk drive. Wait until the red light goes out.
- Insert your BREAKTHRU disk into the disk drive, label side up. Close the door.
- Turn on the computer.
- When you see the READY prompt on the screen, type:
LOAD " * ", 8, 1 and press RETURN.
- The title screen will appear, followed by a computer-controlled demonstration game.
- Press FIRE button on joystick to begin.

III. OBJECTIVE

Your mission is to retrieve the PK430 secret fighter plane stolen by hostile renegades, and fly it back. Accomplish your mission by using your highly sophisticated assault vehicle to BREAK THRU each of the five enemy strongholds.

IV. GAME PLAY

Dodge bullets and grenades, and avoid or jump over obstacles, while passing through each of the five enemy strongholds:

Mountains – You will encounter minefields and foot soldiers, and flamethrower tanks lurking in the tunnel between two mountains. Watch out for landslides and rockfalls.

Bridge – Defended by missile-firing armored fighting vehicles. The bridge has been blown up and must be jumped in various locations.

Prairie – Swarming with enemy soldiers and vehicles. You must jump a large water obstacle to reach the end.

City – Prepare for another onslaught of enemy hardware. Your ultimate goal is in sight!

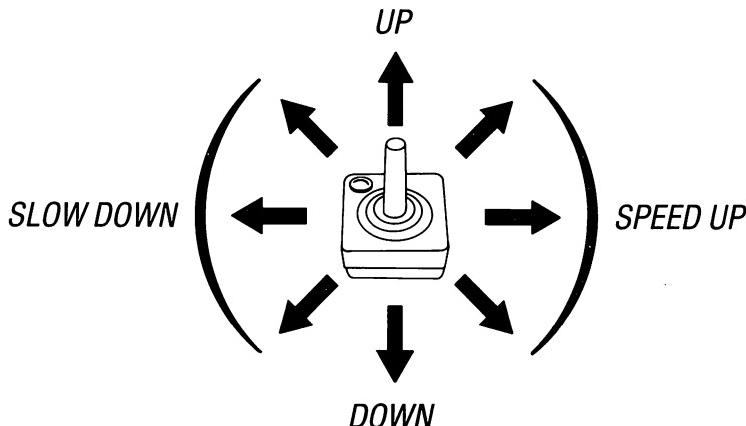

Airfield – Run to the plane, avoiding flamethrowers and smashing through the enemy's final line of defense.

Bonus: Triple firepower or extra lives are gained by jumping your vehicle into falling parachutes.

V. CONTROLS

Use the joystick to maneuver your vehicle:

To **SHOOT**, press the **FIRE** button.

To **JUMP**, press the **SPACE BAR** on the keyboard.

LIMITED WARRANTY

Data East USA warrants to the original purchaser only that the diskette provided with this manual and the software program coded on it will perform in accordance with the descriptions in this manual when used with the specified equipment, for a period of 90 days from the date of purchase. If the program is found defective within 90 days of purchase, it will be replaced. Simply return the diskette to Data East USA or its authorized dealer along with a dated proof of purchase. Replacement of the diskette, free of charge to the original purchaser (except for the cost of returning the diskette) is the full extent of our liability.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED. ALL IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, IF APPLICABLE, ARE LIMITED IN DURATION TO 90 DAYS FROM THE DATE OF PURCHASE OF THIS PRODUCT.

Data East USA shall not be liable for incidental and/or consequential damages for the breach of any express or implied warranty including damage to property and, to the extent permitted by law, damages for personal injury, even if Data East USA has been advised of the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions do not apply to you.

This warranty shall not be applicable to the extent that any provision of this warranty is prohibited by any federal, state or municipal law which cannot be pre-empted. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
